

Board Meeting Agenda January 19, 2023 - 3:30PM-5:30PM

MEETING LOCATION: Gold Ridge Resource Conservation District, 2776 Sullivan Road, Sebastopol, CA 95472

Board meeting will be held in person and remotely

REMOTE ACCESS: Members of the staff and public can participate remotely by using the following options:

Zoom: https://us02web.zoom.us/j/81326946028?pwd=VERncTBxaWdkaFpkTUZKL3RROW81UT09

Phone: (669) 900-6833. Meeting ID: 813 2694 6028. Passcode: 111.

District Directors: Joe Dutton, President; Mel Sanchietti, Director; Guy Smith, Director; Lorri Duckworth,

Director; Elias Zegarra, Director

Associate Directors: Chris Choo, Temra Costa

- 1. Call to order, Determination of a Quorum, Introductions
- 2. Additions/Changes to the Agenda (Gov. Code 54954.2 (B))
- **3. Public Comment:** Public may comment on agenda items when they are discussed. Speakers are asked to limit comments to three minutes (Gov. Code 54954.3(a)).
- 4. Informational Items
 - a. Gold Ridge RCD Updates & Notices
 - b. Report out on Ad Hoc Financial Sustainability Committee Meeting (Mare O'Connell)
 - c. Carbon Farm Program Update (William Hart)
 - d. CalTrans Mitigation Project Contracting Update (John Green)

5. Consent Calendar

a. December 2022 Special Meeting Minutes, January 2023 Grant Status Report (Brittany Jensen)

6. Action Items

- a. Approval of Financial Report, and Warrant Request for FY 22/23 through November 2022 (Mare O'Connell)
- b. Approval of Executive Director to enter into a contract with Fire Safe Sonoma for the CAL FIRE Fire Prevention Grant Program "West Sonoma County Collaborative: Community Capacity Building Phase 1" (#212) for project management services for \$245,520 (Adriana Stagnaro)
- c. Approve Resolution 2023-01 authorizing the Executive Director to enter into an agreement with the California Department of Fish and Wildlife for implementation of the Mt. Gilead Water Conservation and Streamflow Improvement Project (#215) for \$868,715 (John Green)
- 7. Future Agenda Items
- 8. Adjournment

This agenda has been prepared and posted at least 72 hours prior to the regular meeting of the Board of Directors in accordance with the Ralph M. Brown Act. Materials related to items on this agenda, included in the agenda packet or distributed to the Board after distribution of the agenda packet, are available for public inspection at the above address during normal business hours as well as our website. To request board packet information, please contact Brittany Jensen at (707) 823-5244 or Brittany@goldridgercd.org.

**Special Accommodations: In compliance with the Americans with Disabilities Act and Government Code Section 54954.2, if special assistance is needed to participate in a Board meeting, please contact Noelle Johnson at (707) 834-8880. Notification of at least 48 hours prior to meeting time will assist staff in assuring that reasonable arrangement can be made to provide accessibility at the meeting.

District Staff:

Brittany Jensen, Executive Director
Joe Pozzi, District Manager
Noelle Johnson, Deputy Director
John Green, Lead Scientist & Program Manager
Sierra Cantor, Ecologist
William Hart, Project Manager
Adriana Stagnaro, Outreach & Project Manager
Michele Harris, District Administrator

Mare O'Connell, Financial Manager
Jason Wells, Forester
Sophia Tsue, Education & Outreach Coordinator
Tess Polizzotti, GrizzlyCorps Fellow
Angel Arcuri, ClimateCorps Fellow
Will Spangler, Conservation Project Manager
Tom Hammond, Shared Engineer

Schedule of Upcoming Gold Ridge RCD Board Meetings:

Every Third Thursday of the month, unless marked*
The following meetings will be held in person (unless noted) and with an option to join virtually over Zoom video conferencing. For information about how to join a Zoom meeting, see: https://support.zoom.us/hc/en-us/articles/201362193-How-Do-I-Join-A-Meeting-

- February 16, 3:30-5:30pm
- March 16, 3:30-5:30pm
- April 20, 3:30-5:30pm

Special Board Meeting Minutes December 15, 2022 - 12:30PM-1:00PM

MEETING LOCATION: Valley Ford Schoolhouse, 14355 School Street, Valley Ford, CA 94972 *Board meeting will be held in person*

District Directors: Joe Dutton, President; Mel Sanchietti, Director; Guy Smith, Director; Lorri Duckworth,

Director; Elias Zegarra, Director

Associate Directors: Chris Choo, Temra Costa

1. Call to order, Determination of a Quorum, Introductions

Meeting was called to order at 12:35

Directors present: Joe Dutton, Mel Sanchietti, Guy Smith, Elias Zegarra, Lorri Duckworth

Directors absent: None

Associate directors present: Temra Costa, Chris Choo

Associate Directors absent: None

Staff present: Brittany Jensen, Will Spangler, Joe Pozzi, John Green

Other attendees: Mike Griffin

2. Additions/Changes to the Agenda (Gov. Code 54954.2 (B))

None

3. Public Comment: Public may comment on agenda items when they are discussed. Speakers are asked to limit comments to three minutes (Gov. Code 54954.3(a)).

None

4. Informational Items

a. Gold Ridge RCD Updates & Notices

None

b. Report out on Ad Hoc Financial Sustainability Committee Meeting (Mare O'Connell)

No meeting was held. Nothing to report.

5. Consent Calendar

a. November 2022 Meeting Minutes, December 2022 Grant Status Report (Brittany Jensen)

Motion to approve Item 5: 1st Sanchietti, 2nd Smith. Ayes: Sanchietti, Dutton, Smith, Zegarra, Duckworth Nays: None. Abstentions: None

6. Action Items

a. Approval of Financial Report, and Warrant Request for FY 22/23 through October 2022 (Mare O'Connell)

Motion to approve Item 6A: 1st Sanchietti, 2nd Zegarra. Ayes: Sanchietti, Dutton, Smith, Zegarra, Duckworth Nays: None. Abstentions: None

- 7. Future Agenda Items
- 8. Adjournment and Board Tour Meeting was adjourned at 12:55pm

This agenda has been prepared and posted at least 72 hours prior to the regular meeting of the Board of Directors in accordance with the Ralph M. Brown Act. Materials related to items on this agenda, included in the agenda packet or distributed to the Board after distribution of the agenda packet, are available for public inspection at the above address during normal business hours as well as our website. | The Qualified Water Efficient Landscaper (QWEL) trainings in English and Spanish are being planned for February. We are doing outreach in targeted areas, and are developing strategies to make large systems for affordable. Aside from funds specific to certain areas, our county-wide rebat funds have been almost completely earmarked, so we're working to pull in more funds to continue the program. WCB Streamflow (through NCRC&DC) PCI is nearly finished with design for a large-scale (400,000 gallons) rainwater catchment project. We have been awarded full implementation funding from the Department of Fish and Wildlife. Alliance Redwoods Implementation WCB Streamflow (through NCRC&DC) Phase 1 of the project is nearly complete, with work remaining only on athletic field upgrades. We have requested additional funding from both grantors to accommodate cost escalation, and Phase 2 is scheduled for 2023. Subcontract to SRCD for public outings through the TEAM, FARMS, and Ag Heritage programs. Planning underway for Fall 2022 TEAM trips to Open Field Farm in Petaluma. Action Item 6-A

TO: BOARD OF DIRECTORS

FROM: Mare O'Connell

SUBJECT: Financial Summary Report for November 2022

DATE: January 19, 2023

Financial Summary for November 2022

This report covers the first five months of the fiscal year 2022-23. Because so many of our grants are billed quarterly, we estimate anticipated income and related costs for the interim months like November.

In the **Statement of Net Assets** GRRCD's **accounts receivable** is \$1,169,217 plus a **retention receivable** (grant funds withheld pending closure) of \$307,590. for a total of \$1,476,807 from grant activity. The unexpended portion of our advance payments to date totals \$594,795 and appears as deferred revenue (a liability) on the balance sheet. Deferred revenue represents all advance payments from various grant sources less expenditures to date.

Our county bank balance is in the positive at \$1,768,122. The high bank balance this month reflects receipt of funds for the Salmon Creek School Project (#186). We have a payable to Harmony Union School district in the amount of \$1,492,176 that, when paid, will reduce that high balance. Our payroll account at Exchange Bank has a positive balance of \$49,753, and a small account at the same bank is holding \$473.

We also have \$10,189 in prepaid insurances for the current year.

The **accounts payable** balance is \$2,356,993 for the current month. The payable to Harmony Union School District for \$1,492,176 and referenced above is largely responsible. Other liabilities include a credit card payable of \$6,612, deferred revenue as noted above, paid time off liability (compensated absences) updated as of June 30,2022, as well as funds owing Cal Pers retirement, payroll taxes and our voluntary 457 retirement if unpaid at month's end.

Our **equity** this month is a positive \$455,997 with capital assets of \$22,819, fund balance of \$454,753 and net income for the year to date in the negative at -21,574.

The Statement of Operations for the year to date through November reports \$2,871,179 in total revenue and \$2,892,754 in expenses (including principal payments on the truck) for a net loss of \$21,574. It is noted that one pay period in November did not pay out until December, increasing the net loss for the month by \$25,410 to \$46,984 year to date.

Definitions:

- Statement of Net Assets (the balance sheet) lists all our assets, both cash and noncash:
- Assets include our cash in bank, funds expected from our grant activity but not yet received ("accounts receivable" and "retention receivable"), prepaid expenses, and the value of our physical assets.
- Liabilities are made up of money we owe to vendors, cash advances from grantors, credit card and payroll liabilities.
- Equity is the difference between our assets and liabilities or net worth as an organization.
- Net Income is the difference between assets and liabilities in this Fiscal Year
- Statement of Operations shows income and expenses for the current period.

Action Item 6-B

TO: BOARD OF DIRECTORS

FROM: Adriana Stagnaro

SUBJECT: Approval of Executive Director to enter into a contract with Fire Safe Sonoma for the CAL FIRE

Fire Prevention Grant Program "West Sonoma County Collaborative: Community Capacity Building Phase 1" (#212) for project management services for a contract total of \$245,520

DATE: January 19, 2023

Summary

The "West Sonoma County Collaborative: Community Capacity Building Phase 1" Project is a collaboration of Fire Safe Sonoma, Safer West County, local fire departments, and Gold Ridge RCD, utilizing a \$1.1M CAL FIRE grant from the Fire Prevention Grants Program. The project will support fire prevention activities in Occidental, Camp Meeker, Monte Rio and Forestville. Residents in these four communities will be eligible for incentives payments for improved defensible space around their homes and structures, chipping services to process vegetative debris resulting from fire prevention activities, and public education focused on defensible space.

Background

The Fire Safe Sonoma, Safer West County, local fire departments, and Gold Ridge RCD twice partnered to submit a multi-part proposal to the California Department of Forestry and Fire Protection (CAL FIRE) Fire Prevention Grants Program: once in 2021 and again in 2022. In 2022, the Fire Safe Sonoma was awarded a three-year \$1,108,211.00 grant from CAL FIRE to grow West Sonoma County's capacity to improve its community's wildfire defensible space around homes and essential structures. The project will support fire prevention activities in Occidental, Camp Meeker, Monte Rio and Forestville.

This project builds the capacity of the community to manage wildfire risk (even beyond the life of the grant) in five ways:

- 1. Educate residents and property owners on defensible space guidelines,
- 2. Provide 400 low-income households with \$1,000 stipends to finance defensible space creation,
- 3. Purchase and lease four chippers to four fire districts in west county which will assist residents in processing vegetative debris resulting from defensible space projects,
- 4. Provide opportunities for local contractors trained in wildfire defensible space creation
- 5. Strengthen relationships between residents, local fire departments, local fire safe councils, and Fire Safe Sonoma

Gold Ridge RCD will provide project management services to Fire Safe Sonoma. It will not be responsible for purchasing equipment or processing payment to partners, contractors or participants of the programs. This project is the first phase of a multi-pronged effort to enhance defensible space in west county. The grant expires in March 2026.

Fiscal Information

The agreement includes funds for GRRCD staff time and mileage for a total not to exceed \$245,520.

Staff Recommendation

Authorize the Executive Director to enter into a contract with Fire Safe Sonoma for the CAL FIRE Fire Prevention Grant Program "West Sonoma County Collaborative: Community Capacity Building Phase 1" (#212) for project management services for a contract total of \$245,520.

List of Attachments

- 1. Contract between GRRCD and FSS for the "West Sonoma County Collaborative: Community Capacity Building Phase 1" Project
- 2. Appendices A and B, Scope of Work and Budget
- 3. Appendix C, the signed agreement between CALFIRE and Fire Safe Sonoma is not attached due to size but is available upon request.

CONTRACT

between

Fire Safe Sonoma

and

Gold Ridge Resource Conservation District

For

WEST SONOMA COUNTY COLLABORATIVE: DEFENSIBLE SPACE COMMUNITY CAPACITY BUILDING PHASE 1

This Contract (hereinafter the Contract) is between the Fire Safe Sonoma (FSS) and the Gold Ridge Resource Conservation District (GRRCD) for services as part of FSS's engagement by the California Department of Forestry and Fire Protection (CALFIRE) to administer the West Sonoma County Collaborative: Defensible Space Community Capacity Building Phase 1 Project (Project) under the Cal Fire California Climate Investments Wildfire Prevention Grant Program, Grant Agreement Number 21-FP-LNU-0299.

TERMS AND CONDITIONS

- 1. <u>Effective date and duration</u>: This contract shall become effective as of <u>December 6, 2022</u>, and shall be in effect until <u>March 15, 2026</u>, or such time as may be extended by permissible delays as approved by CALFIRE.
- 2. <u>Termination</u>: Either party shall have the right to terminate this contract for any reason upon 30-day written notice to the other party. In the event of such termination, the Gold Ridge Resource Conservation District (GRRCD) shall be entitled to payment for all work performed on the Project prior to such termination.
- 3. <u>List of Attachments</u>: The following attachments are incorporated herein:

Appendix A: Project Management Services Scope of Work

Appendix B: Project Management Services Budget

Appendix C: West Sonoma County Collaborative: Defensible Space Community

Capacity Building Phase 1, Grant Agreement Number 21-FP-LNU-0299.

4. GRRCD Responsibilities:

- A. GRRCD will provide services to the FSS as described in Appendix A: Project Management Services Scope of Work.
- B. Work will be performed as described and conditioned in Appendix C: West Sonoma County Collaborative: Defensible Space Community Capacity Building Phase 1, Grant Agreement Number 21-FP-LNU-0299.
- C. GRRCD will supply all labor, manpower, and equipment needed to complete work as directed in this contract.

5. <u>Total Costs of this Agreement:</u> Not to exceed Two Hundred Forty-Five Thousand, Five Hundred Twenty dollars (\$245,520) without written authorization from FSS. A FSS representative will review the project progress and all deliverables due during the work period before the release of monies.

6. Invoices:

- A. GRRCD will invoice the FSS quarterly by 15th Day of the month following the end of the quarter for reimbursement when qualifying expenditures are initially incurred by GRRCD.
- B. GRRCD will provide the FSS with their work report describing work conducted along with copies of purchase orders, invoices and original receipts of any materials or supplies, and outside services with the invoices. Time reports will include a time sheet showing date of service, who performed the service, and number of hours. Invoices should reference the West Sonoma County Collaborative: Defensible Space Community Capacity Building Phase 1.
- C. Invoices must be itemized using the categories and in accordance with the budget in Appendix B: Project Management Services Budget.
- D. All professional services will be billed at the rates shown on the budget included in Appendix B.

7. FSS Responsibilities:

- A. FSS will perform grant administration and subcontract management of GRRCD.
- B. FSS will oversee grant management.
- C. FSS will review contracts for subcontractors.
- D. FSS will submit final invoices.
- E. FSS will process payments to subcontractors, partners, and participants of the grant-funded programs.
- F. FSS will be responsible for coordinating work flow with SWC.
- 8. <u>Payments</u>: FSS will send payment to GRRCD for all work completed under agreement, within 30 days of reimbursement from CALFIRE to the following:

Gold Ridge Resource Conservation District 2776 Sullivan Road Sebastopol, CA 95472

9. Status of GRRCD: All services shall be performed as an independent contractor.

- 10. <u>Contracts:</u> Auditors of the State of California have the right to examine the records of GRRCD relative to the goods, services, equipment, materials, supplies or other assistance provided to the FSS for the Project.
- 11. <u>Indemnification</u>: To the fullest extent permitted by law, GRRCD shall indemnify and hold harmless and defend the FSS, its directors, employees, or volunteers, and each of them from and against:
 - A. Any and all actions, proceedings, damages, costs, expenses, penalties or liabilities, in law or equity, of every kind or nature whatsoever, arising out of, resulting from, or on account of the violation of any governmental law or regulation related to the Project, compliance with which is the responsibility of GRRCD;
 - B. Any and all losses, expenses, damages (including damages to the work itself), reasonable attorneys' fees, and other costs, including the costs of defense which may incur with respect to the negligent failure, or negligent refusal of GRRCD to perform all its obligations under the contract;
 - C. FSS agrees to indemnify GRRCD from any claims, damages, losses and costs, including, but not limited to, reasonable attorney's fees and litigation costs, to the proportionate extent caused by the breach of contract, negligence, or willful misconduct of FSS.
- 12. <u>Commercial General Liability and Automobile Liability Insurance:</u> GRRCD shall provide proof of insurance maintaining coverage at least as broad as the following for both commercial general liability and automobile liability insurance:
 - A. Insurance Services Offices Office Commercial Liability coverage (Occurrence Form CG 0001)
 - B. Insurance Service Offices Form Number CA 0001 covering Automobile Liability, Symbol 1 (any auto)
 - C. General Liability: One million dollars (\$1,000,000) per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used either the general aggregate limit shall apply (with the ISO CG 2503, or ISO CG 2504, or insurer's equivalent endorsement provided to the FSS) or the general aggregate limit shall be twice the required occurrence limit;
 - D. Automobile Liability. One million dollars (\$1,000,000) for bodily injury and property damage for each accident limit;
 - E. Such liability insurance shall indemnify the FSS against loss from liability imposed by law upon, or assumed under contract by, GRRCD for damages on account of such bodily injuries (including death), property damage, personal injury, and completed operations and product liability;
 - F. The general liability policy shall cover bodily injury and property damage liability, owned and non-owned equipment, blanket contractual liability, and completed operations liability;

- G. The automobile liability policy shall cover all owned, non-owned, and hired vehicles;
- H. GRRCD shall provide proof of insurance to the FSS upon the signing of this contract and/or prior to beginning any work.
- 13. Workers Compensation and Employer's Liability Insurance: GRRCD shall provide proof of insurance verifying that it is insured (or be qualified self-insured) under the applicable laws relating to workers' compensation insurance, all of their employees working on or about the construction site, in accordance with the "Workers' Compensation and Insurance Act," Division IV of the Labor Code of the State of California and any Acts amendatory thereof.
- 14. Attorney Fees, Applicable Law and Forum: In the event either party brings an action or proceeding for damages arising out of the other's performance under this contract or to establish the right or remedy of either party, the prevailing party shall be entitled to recover reasonable attorney fees and costs as part of such action or proceeding. This contract shall be construed and interpreted according to the substantive law of California, regardless of the law of conflicts to the contrary in any jurisdiction. Any action to enforce the terms of this Contract or the breach thereof shall be brought and tried in the forum nearest to the City of Santa Rosa, in the County of Sonoma.
- 15. <u>Nondiscrimination</u>: GRRCD shall comply with all applicable federal, state, and local laws, rules and regulations in regard to non-discrimination. GRRCD agrees not to unlawfully discriminate, harass or to allow harassment against any employee or applicant for employment because of sex, race, religious creed, color, ancestry, age, marital status, physical disability, mental disability, medical condition, national origin and denial of family care leave.
- 16. <u>Consent</u>: Wherever in this Contract the consent or approval of one party is required to an act of the other party, such consent or approval shall not be unreasonably withheld or delayed.
- 17. Merger: This writing is intended both as a final expression of the Contract between the parties hereto with respect to included tens and as a complete and exclusive statement of the tens of the Contract, pursuant to Code of Civil Procedure 1956. No modification of this Contract shall be effective unless and until modification is evidenced in writing and signed by both parties.
- 18. <u>Assignment and Delegation</u>: Neither party hereto shall assign, sublet, or transfer interest in or duty under this Contract without the written consent of the other, and no assignment shall be in force or effect whatsoever unless and until the other party shall so have consented.
- 19. <u>California Department of Forestry and Fire Protection Grant Agreement</u>: The funds for this contract will be obtained through an agreement between the FSS and the California Department of Forestry and Fire Protection. All provisions of Grant Agreement 21-FP-LNU-0299 are hereby incorporated into this Contract.

Gold Ridge Resource Conservation District Project Management Services to the West Sonoma County Collaborative Community Capacity Building Project Phase I SCOPE OF WORK

1. Contact Information

Gold Ridge Resource Conservation District 2776 Sullivan Road Sebastopol, CA 95472 Phone: (707) 823-5244

www.goldridgercd.org

2. Company Overview

The Gold Ridge Resource Conservation District (RCD) was established in 1941 as one of the original Resource Conservation Districts, the first in Sonoma County and the 7th in California. The RCD is a special district created under Division 9 of the California Public Resources Code and is a local subdivision of the state. RCDs work with landowners on a voluntary, cooperative basis, and are non-regulatory, making us a trusted resource for our community. The RCD is governed by a local, independent board of directors. The 134,000-acre district hosts a multitude of natural and agricultural resources, including rangeland, woodland, streams, diverse wildlife habitats, vineyards, dairies, orchards, cropland, and scenic coastal areas.

The Gold Ridge RCD provides a diversity of services to public agencies, public and private landowners, and land managers within our district. We work cooperatively to develop, plan, design and implement a variety of resource-focused activities, including conservation planning, permitting, scientific investigation and monitoring, wildlife habitat restoration and enhancement, climate change adaptation and resiliency, water conservation and instream flow enhancement, sediment reduction, forest management, and watershed assessments.

Our diverse staff currently manages over 45 grants totaling over \$12.6 million in local, state, and federal funds. Last fiscal year's budget was just over \$2.7 million, with 48% of our funding coming from state grants, 23% from federal grants, and 8% from local contracts, among other sources.

The Gold Ridge RCD is composed of eight (8) program staff, a District Administrator, a consulting Finance Manager, an at-large District Manager, and two AmeriCorps fellows, with several additional shared professional staff with the neighboring RCDs.

3. Principals

A. Brittany Jensen, Executive Director

Education: B.A. (2006) Environmental Studies and Planning. Sonoma State University. Brittany Heck Jensen, Executive Director has worked at the Gold Ridge Resource Conservation District since 2005. Brittany has more than ten years of experience assisting private and public landowners implement conservation projects, maintaining positive working relationships, fundraising, performing outreach, managing staff, and engaging with the agricultural and environmental community in Sonoma County. Brittany has been instrumental in receiving millions of dollars in grant funding and provides leadership for RCD programs. Her strengths include creating and maintaining relationships with diverse constituents, program development, and project management. She also works as a farmhand on her husband's 6th generation sheep ranch, as well as runs a small 10-acre farm at her home in Tomales, CA.

B. The Gold Ridge RCD Board of Directors

The Gold Ridge RCD is a public entity governed by a local board of five land managers and natural resource experts appointed by the Sonoma County Board of Supervisors. Current Board members include:

Joe Dutton, Director, Occupation: Farmer

Mel Sanchietti, Director, Occupation: Farmer

Guy Smith, Director, Occupation: Forestry Professional

Lorri Duckworth, Director, Occupation: Farmer

Elias Zegarra, Director, Occupation: Farm Advisor

Temra Costa, Associate Director, Occupation: Foundation Professional and

Land-manager

Chris Choo, Associate Director, Occupation: Land Use Planner

4. Personnel Qualifications

A. Adriana Stagnaro, Outreach & Project Manager

Education: M.S. (expected 2023) Environmental Sciences and Management. California Polytechnic State University, San Luis Obispo. B.A. (2013) Environmental Studies. Gonzaga University. Adriana Stagnaro, Outreach and Project Manager at the Gold Ridge RCD since 2018, develops and manages voluntary conservation and habitat enhancement projects on private land, including wildlife habitat enhancement, forest management planning, wildfire protection planning, and public education. She is instrumental in developing the Gold Ridge RCD's forestry and wildfire protection programming, a keen grant writer, passionate about partnership building, and growing community resiliency to climate change. She is currently earning a Master of Science degree with a focus on fire management in forest systems and is working towards the California Registered Professional Forester license. She has received training in Home Ignition Zone Assessments with the National Fire Protection Association (NFPA) and provided educational assessments to local landowners. She is a trained prescribed fire practitioner and has received Firefighter II certification through Audubon Canyon Ranch's Fire Forward Program. Her previous work experience includes a Climate Corps Fellowship at the Sonoma County Regional Climate Protection Authority. Her resume is attached.

Adriana will serve as the Project Manager for the West Sonoma County Collaborative Community Capacity Building Project Phase I, providing: subcontract management to Fire Safe Sonoma, project reporting, management planning, records maintenance, assistance in selection of subcontractors, management of incentive program operations, participation in the West Sonoma County Collaborative, full compliance with the law, updates to the Board of Fire Safe Sonoma, preparation of all required performance reports, and assistance with audit requirements.

B. Noelle Johnson, Deputy Director

Education: M.S. (2001) International Agricultural Development. University of California-Davis. B.S. (1995) Nutritional Sciences. University of Wisconsin-Madison. Noelle Johnson, Conservation Planner at the Gold Ridge RCD since 2008, and Deputy Director since 2022, oversees the RCD's larger multi-project grants, and spearheads grant writing and program development for the RCD. Noelle has experience designing and managing incentive programs to support the adoption of conservation practices in the private sector, complex habitat restoration projects involving several agency partners and private stakeholders, and numerous public engagement projects. Noelle began her career overseas, managing projects for resource conservation, food security, and research in various countries in Africa and Southeast Asia before returning to northern California

in 2005 as restoration projects manager at Circuit Rider Productions, Inc. Noelle will provide program support to the Project Manager.

C. Jason Wells

Education: B.S. (2012) Forestry. Humboldt State University. Registered Professional Forester (CA) license #3014. Archaeological Surveys, CALFIRE certification. Jason is a California Registered Professional Forester (RPF), whose focus at the RCD is to provide technical and planning assistance to landowners, managing a forestry program capable of addressing vegetation and fuels management concerns throughout the county, as well as addressing post-fire recovery efforts. Jason's work supports the missions of the Sonoma and Gold Ridge RCDs. Born and raised in Petaluma, he graduated from Humboldt State University with a B.S. in Forestry with an emphasis in Forest Conservation; he then worked for six years in private industry throughout Humboldt and Mendocino Counties. His experience includes writing CEQA-equivalent Timber Harvest Plan documents, integrating knowledge of forest operations with environmental impact mitigations, silviculture (applied forest ecology), forest health and protection, economics of forest management, and road design and layout. Jason has also been certified by the California Department of Forestry and Fire Protection (CALFIRE) to conduct archaeological surveys for plans in which CALFIRE is lead agency. Jason will provide program support to the Project Manager.

5. Proposed Work Plan and Proposed Schedule

The Gold Ridge RCD is familiar with the history, development and scope of work for the West Sonoma County Collaborative Community Capacity Building Project Phase I Project. We are also a close collaborator of Fire Safe Sonoma and Safer West County. We assure that the delivered work will meet the expectations of the project proponents, will include all the necessary elements, will meet the requirements of the contract with CAL FIRE, and will comply with all applicable standards, laws and regulations.

The Outreach & Project Manager, Adriana Stagnaro, will serve as the Project Manager for the West Sonoma County Collaborative Community Capacity Building Project Phase I, providing: subcontract management to Fire Safe Sonoma, project reporting, management planning, records maintenance, assistance in selection of Communications Consultant subcontractor, management of incentive program operations, participation in the West Sonoma County Collaborative, full compliance with the law, updates to the Board of Fire Safe Sonoma, preparation of all required performance reports, and assistance with audit requirements.

The work plan below is based on the plan provided in the funding proposal to CAL FIRE.

Time Frame

December 6, 2022 to March 15, 2026 (40 months)

Year 1: December 6, 2022 - June 30, 2023

- A. General Project Management
 - Contract with Fire Safe Sonoma
 - Set up shared administration system with Fire Safe Sonoma
 - Report templates
 - Program records
 - Review record keeping, reporting requirements in CAL FIRE contract for compliance
 - Establish roles and responsibilities between Fire Safe Sonoma, Safer West County and Gold Ridge RCD
 - Participate in meetings
 - Schedule and participate in West Sonoma County Collaborative:
 Community Capacity Building Project Phase 1 Project progress meetings
 - o Attend Fire Safe Sonoma Board meetings, as appropriate
 - Attend Safer West County meetings, as appropriate
 - Assist FSS in soliciting and selecting a subcontractor for Communications Consultant services
 - Quarterly invoicing and reporting to Fire Safe Sonoma
 - Complete annual reporting activities
- B. Defensible Space Incentive Program
 - Develop detailed project scope of work and timeline with Fire Safe Sonoma and Safer West County for the incentive program
 - o Interview entities with experience in running incentives programs, and landowners with experience participating in them
 - O Draft scope of work with project partners (local fire departments, County Fire Prevention Division, Cal Fire local unit, education partners, etc.).
 - Initial program development
 - Develop the front-of-house elements such as the landowner intake form, website interface, and public communications
 - Develop the complex back-of-house processes for receiving, evaluating and responding to landowner applications, managing landowner documents (including photos, W-9s and income statements), and the

- accounting system to pay each landowner and provide them with tax documentation.
- o Beta test the intake process and reiteratively improve the system
- Permitting: File NOE with County of Sonoma if necessary for home defensible space work
- Launch the program
 - Coordinate operations and public communications with FSS, SWC,
 Communications Consultant and others to implement services
 - o Goal to serve 130 (one third of all) households with incentives
- Evaluate the initial pilot period
 - Solicit feedback from participating landowners
 - Solicit feedback from project partners
 - Plan improvements
 - o Conduct budget analysis and necessary revisions

C. Free Roadside Community Chipper Program

- Develop detailed project scope of work, timeline and budget with Fire Safe Sonoma and Safer West County for the chipper program
 - o Interview entities with experience running community chipper programs
 - Draft scopes of work with project partners (local fire departments,
 County Fire Prevention Division, Cal Fire local unit, education partners,
 etc.).
- Support FSS in initial program development
 - o Draft contracts for participating fire departments
 - Develop the time keeping and reporting system for fire departments
 - Develop the front-of-house elements such as the landowner intake form, website interface, and public communications
 - Develop the back-of-house processes for receiving, evaluating and responding to landowner applications
 - Beta test the intake process and reiteratively improve the system
- Launch the program
 - Coordinate with FSS, SWC, Communications Consultant and fire departments to implement services
 - o Goal to complete 30 chipper projects
- Evaluate the initial pilot period
 - Solicit feedback from participating landowners
 - Solicit feedback from fire departments
 - o Plan improvements
 - o Conduct budget analysis and necessary revisions

D. Education Program

- Develop detailed project scopes of work and timelines with Fire Safe Sonoma and Safer West County for the education and outreach program
 - Interview entities with experience in these programs
 - Draft scopes of work with project partners (local fire departments, County Fire Prevention Division, Cal Fire local unit, education partners, etc.).
- Support FSS in initial program development
- Launch the program
 - Coordinate with FSS, SWC, site hosts, fire departments, Communications
 Consultant and education partners to implement services
- Goal is to conduct two meetings, four outreach/workshop events, and two postcard mailers regarding the programs
- Evaluate the initial pilot period
 - Solicit feedback from participating landowners
 - Solicit feedback from education partners and site hosts
 - o Plan improvements
 - o Conduct budget analysis and necessary revisions

Year 2: July 1, 2023 - June 30, 2024

- Continue improving each program
- Continue outreach and public engagement in the programs
- Goals:
 - Serve 130 (one third of all) households with defensible space incentives
 - Conduct two meetings, four outreach/workshop events, and two postcard mailers regarding the programs.
 - Complete 30 chipper projects
- Continue monthly reporting and invoicing to Fire Safe Sonoma
- Complete annual reporting activities and assess the continuing needs for the community.

Years 3 & 4: July 1, 2024 - March 15, 2026

- Continue improving each program
- Continue outreach and public engagement in the programs
- Goals:
 - o Serve 130 (one third of all) households with defensible space incentives
 - Conduct two meetings, four outreach/workshop events, and two postcard mailers regarding the programs.
 - Complete 30 chipper projects
- Continue monthly reporting and invoicing to Fire Safe Sonoma

- Complete annual reporting activities and assess the continuing needs for the community.
- Complete final report and any other needed communications with the funder

APPENDIX A: Relevant Experience

RELEVANT EXPERIENCE

The Gold Ridge RCD has been working steadfastly to increase Sonoma County communities' resilience to the growing threat of wildfire. We have applied our technical training in natural resource management with our deep experience in public programming, partnership building, outreach and education to serve landowners and communities in creative ways to adapt to change. The projects outlined in West Sonoma County Collaborative Community Capacity Building Project Phase I are familiar project types. We bring to this project experience in designing and managing incentives programs, vegetation management, heavy equipment rental and operation, public education campaigns and workshop training. Below are examples of our relevant work.

Vegetation Management and Forest Health Services

The Gold Ridge RCD's Registered Professional Forester (RPF) uses LandSmart for Forests to develop forest management plans that meet the requirements of a California Cooperative Forest Management Plan. The RCD RPF is also qualified to conduct site visits to assess forest conditions that include road infrastructure, slope, forest biodiversity, and forest hydrology. The RCD RPF is also qualified to review and analyze existing Timber Harvest Plans (THP) and Non-Industrial Timber Management Plans (NTMP). The RCD RPF is qualified to determine and develop conservation easement provisions for forest properties, review existing management plans for properties, including THPs and NTMPs, for integration with conservation easements. The RPF is also qualified to develop Timber Appraisal Reports that account for conservation easements on sites.

LandSmart Forest Management Planning

LandSmart Forest Management Plans are designed to assist the landowner in identifying goals and objectives to actively manage their forested property to create a healthy, resilient forest. The purpose of this plan is to identify opportunities and related practices, currently in use or recommended for implementation, that meet and further the landowner's goals for the property. This template is intended be a guide for the landowner and their technical specialist (RPF, RCD Staff, TSP, etc.) to utilize in the collaborative process of inventorying the property, including features such as vegetation types, watercourses, and road system, documenting conservation practices that are currently used, and helping the landowner to identify all opportunities to manage a healthy, resilient forest. The resulting plan is intended to be a working document to inform and record the landowner's decisions and progress.

Plans are compatible with NRCS (National Resources Conservation Service), CAL FIRE and other funding sources for implementation. This program is made possible through a partnership with NRCS aimed at conserving forestland in Sonoma County through the incentive program EQIP (Environmental Quality Incentives Program), which incentivizes conservation projects with partial payments on conservation practices, such as forest stand improvements and hazardous vegetation removal.

Camp Meeker Community Wildfire Protection Plan (CWPP)

Conservation Works contracted with Gold Ridge RCD to provide project management services for the Camp Meeker Community Wildfire Protection Plan (CWPP) in 2018. The \$75,000 project was funded by CAL FIRE's Fire Prevention grant program. Gold Ridge RCD served as the project manager, handling all aspects of the project's operations including grant reporting, subcontracting, community education and coordination, plan development, and public communications and outreach. The plan meets the federal CWPP requirements and uses a template developed by Permit Sonoma. Plan includes a community description, wildfire risk assessment, list of community priority projects, community maps, and educational guides. Plan was approved December 2021. Along with the plan, the Gold Ridge RCD played an instrumental role in supporting the development of the Camp Meeker fire safe council, Fire Safe Camp Meeker, attending almost all meetings of the council during the project's life, managing its website, and producing its e-newsletters, which alerting the community to public CWPP planning meetings as well as emergency response information during the 2020 August fires. Read the plan: www.firesafecampmeeker.org

North Bay Forest Improvement Program

North Bay Forest Improvement Program provides incentives for pre-fire and post-fire forest stand improvements in mainly disadvantaged communities in the north bay area. The program is structured similarly to EQIP and CFIP and is operated by north bay area RCDs and the nonprofit After the Fire USA. The program is funded by a \$1.5 million CAL FIRE Wildfire Resilience and Forestry Assistance grant. In its pilot phase, the Gold Ridge RCD developed the incentive program with its project partners, determining eligible practices, payment rates, eligible participants, intake process, external communications and advertising, and internal operations. The pilot was a success, and the program has received \$3.5 million in continued funding through CAL FIRE. Learn more: https://afterthefireusa.org/our-programs/before-the-fire/nbfip-intro/

LandSmart Grazing for Community Resilience Program

The Ag and Open Space District contracted with Gold Ridge RCD to provide project management services for the LandSmart Grazing for Community Resilience Program in

2021 and again in 2022. The program is funded through the County of Sonoma's Vegetation Management Program. The LandSmart Grazing program is designed to support interested neighbors or community groups to utilize grazing as a way of reducing fuel load and making their communities safer in the face of wildfires. The program connects contract grazers to landowners with the help of the UC Cooperative Extension's Match.Graze program. The cost-share program reimburses landowners up to 85% of contract grazing fees, or up to \$20,000 per applicant. In 2021, the pilot program implemented six multi-property project, grazing over 90 acres. The pilot was a success, and the program has received continued funding through the County's Vegetation Management Program.

Learn more: http://goldridgercd.org/htm/LandSmartGrazing.htm

Rainwater Catchment Rebate Program

The Sonoma County Rainwater Catchment Rebate and Streamflow Enhancement Pilot Program, which provides technical assistance and rebate funding to promote household-level water storage for drought resilience, is funded through grants from the Department of Water Resources, County of Sonoma Climate Resilience Fund, and Department of Fish and Wildlife, totaling \$917,440. Launched in May 2022, the program will provide over \$150,000 in rebate funding for an estimated 50-80 participants, facilitating construction of at least 250,000 gallons of water storage.

No-Till Seed Drill Rental Program

The Gold Ridge RCD owns a compact rangeland No-Till Drill which is available for rent at low cost to landowners. The RCD rents the drill to encourage conservation tillage, contributes substantially to better soil health as compared to the practice of conventional plowing. The drill is most appropriate for rangeland and pasture settings, as well as cover crop seeding for veggie farms. Each year, the drill is typically used by 15 to 20 landowners. Landowners receive training in the care, use and management of the drill before it is rented to them and are required to prove they have the appropriate site, towing vehicle and tractor. The RCD contracts out maintenance services for the upkeep of the drill.

Public Education

The Gold Ridge RCD has partnered with local agencies and organizations to provide the community with quality environmental education. The RCD has worked independently and in collaboration to develop and execute educational programming on topics such as natural resource conservation, the water cycle and water resources, farmland protection, agricultural traditions, food production, wildlife habitat, and more. The agency performs public education in the form of public tours, school field trips, hikes, presentations, workshops and publications.

Environmental Impact Assessments and Permitting Services

Gold Ridge RCD staff provide permitting and environmental compliance for planning and project implementation, including compliance with the California Environmental Quality Act (CEQA), the National Environmental Policy Act (NEPA), stormwater permitting and compliance on construction and industrial facilities, Sonoma County environmental regulations, U.S. Army Corp of Engineers, and the State Water Resources Control Board, the National Oceanic and Atmospheric Administration (NOAA), California Department of Fish and Wildlife (CDFW), the State Water Resources Control Board, the North Coast and San Francisco Bay Regional Water Quality Control Boards, and the U.S. Department of Fish and Wildlife (USFWS).

1. CEQA/NEPA compliance:

As a Special District, the Gold Ridge RCD serves as Lead Agency for CEQA/NEPA compliance and has led the development and submittal of compliance documents including Mitigated Negative Declarations, Negative Declarations, and Notices of Exemption for a variety of implementation projects.

2. Permitting:

The Gold Ridge RCD's permitting experience includes writing and filing permit applications and obtaining permits from local, state, and federal agencies for natural resource related projects. These include: County grading permits, County roiling permits, California Department of Fish and Wildlife (DFW) 1602 Lake and Streambed Alteration Agreements, Section 401 Water Quality Certification, and Clean Water Act Section 404 permits.

Action Item 6-C

TO: BOARD OF DIRECTORS

FROM: John Green

SUBJECT: Approve Resolution 2023-01authorizing the Executive Director to enter into an

agreement with the California Department of Fish and Wildlife for implementation of the Mt. Gilead Water Conservation and Streamflow

Improvement Project for \$868,715

DATE: January 13, 2023

Summary

Approval of Resolution 2023-01 authorizing the Executive Director to enter into a grant agreement with the California Department of Fish and Wildlife (CDFW) for implementation of the Mt. Gilead Water Conservation and Streamflow Improvement Project for \$868,715.

Background

For several years, GRRCD has been working with Mt. Gilead Bible Camp (located in upper Green Valley Creek) to develop a project to reduce the volume of water drawn from a series of shallow alluvial wells adjacent to the creek, which are the camp's primary water source. In coordination with Mt. Gilead, a project design has been completed by Prunuske Chatham, Inc., (PCI) which incorporates two strategies for accomplishing this goal, both addressing the use of non-potable water for playing field irrigation. The first is implementation of a series of water conservation measures intended to substantially reduce the camp's demand for irrigation water. These measures include shrinking the irrigated area, replacement of the existing irrigation system with a more efficient system, aerating and composting the soil to improve rooting depth and water holding capacity, and installation of drought-tolerant turf. The second strategy is to develop a new source – storage rainwater – to provide a portion of the remaining irrigation water demand. A rainwater catchment system with a collection and storage capacity of 400,000 gallons of water will be constructed, and will include two 200,000-gallon tanks, the roofs of which will drain into storage. Because of the lack of large buildings at Mt. Gilead and the dispersed locations of existing buildings, the rainwater system will include construction of a pavilion structure over the camp's existing basketball court. This structure will act as a rainwater catchment surface and allow use of the camp to use the court area during winter rains.

Discussion

The total project cost (including permitting, construction, engineering oversight, monitoring and administrative costs) is estimated at \$2.26 million, with construction accounting for \$1.9 million of the total. Engineering oversight is estimated at \$132,000, and GRRCD's amount for contracting, oversight and other administrative tasks is just over \$86,000. To the extent

possible this budget takes into account the substantial ongoing construction cost escalation that has occurred over the past two years.

With the North Coast Resource Conservation and Development Council as a fiscal sponsor, in 2021 GRRCD applied to the CDFW Cutting Green Tape/North Coast Coho Recovery Program for implementation funding and received a grant for \$1.4 million. In early 2022 we submitted a proposal to CDFW's Fisheries Restoration Grants Program for the remainder, which was awarded in December 2022.

Fiscal Information

The CDFW grant agreement is expected to total \$868,715, or approximately 38% of the total cost. Of this amount, \$779,283 is earmarked for construction and engineering oversight. A total of \$33,037 will go to GRRCD costs, with the remainder supporting permitting activities. The grant of \$1.4 million from the Cutting Green Tape program will provide the balance of the funds (62%) to implement the project.

Staff Recommendation

Approve Resolution 2023-01 authorizing the Executive Director to enter into an agreement with the California Department of Fish and Wildlife for the Mt. Gilead Water Conservation and Streamflow Improvement Project for up to \$868,715.

RESOLUTION NO. 2023-01 January 19, 2023 BOARD OF DIRECTORS Gold Ridge Resource Conservation District

This document is a resolution authorizing the Gold Ridge Resource Conservation District to enter into an agreement with the California Department of Fish and Wildlife and designating a representative to sign the agreement, and any amendments thereto for the **Mt. Gilead Water Conservation and Streamflow Improvement Project** for \$868,715.

Whereas, the Board authorizes the Gold Ridge Resource Conservation District_to enter into an Agreement with the California Department of Fish and Wildlife; and

Whereas, the Board authorizes the Executive Director or designee, to sign the Agreement, and any amendments thereto; and

Now, therefore, be it resolved, that the Gold Ridge Resource Conservation District Board of Directors hereby adopts Resolution 2023-01 on January 19, 2023.
